Dear_____,

As a longtime voting resident of the state of Missouri, I am extremely distressed by the recent pre-need funeral scandal. I purchased a plan in _____ at _____ and I was told that the state of Missouri would audit that account to make sure my money was safe. Now I find out this is not the truth.

I want to know where my money is now; who has it, and is it safe. I would like to know how and why this happened. Also, how is the state of Missouri making necessary corrections so it will never happen again?

Your response is greatly appreciated.

Sincerely,
